Steeping up our Service

In July our service team expanded with the arrival of Greg O'Dell, Service Advisor. When you call to book a service or make any type of service enquiry, chances are it will be Greg who'll answer the phone.

Be the first new see our new TV AD

We had a lot of fun making the tv ad & we hope you have as much fun watching it. Thanks to our staff, actors and wonderfully talented people at Adams marketing and Gillespie Media who braved a chilly morning to make it all happen.

Stopping the Swerve

The much applauded new Silverline continues to rake in industry accolades and anecdotal feedback from customers and it's the Electronic Stability Control (ESC) that gets most attention.
